

# Bloomberg Businessweek

December 9 — December 15, 2013

**Opening Remarks** Don't bet against Jeff Bezos's wacky drone delivery scheme 12

**Bloomberg View** What the EU should do for Ukraine • Obamacare needs more than a website fix 14

## Global Economics

Nobel prize winner Robert Shiller has a few more tricks up his sleeve 17

China's surprising new BFF: Taiwan 18

Koreans have the most credit cards per capita in the world, and they're maxing them out 19

The hurdles to unionizing America's 3.9 million fast-food workers 20

Correlations: U.S. health care is miles ahead of the global pack—in the category of cost 22

## Companies/Industries

A promise Airbus made to A340 buyers could cost it \$2 billion 25

Doc McStuffins, a 6-year-old aspiring physician, may deliver a happy holiday for Disney 26

Makers of skin-lightening creams are aiming their pitches at the rural Indian male 27

Celebrities talking to celebrities pull in audiences and advertisers for PodcastOne 28

Briefs: Cyber Monday shows Black Friday how it's done 30

## Politics/Policy

Your member of Congress is powerless. Parties rule Capitol Hill 33

Where Obama can still turn for love (and money): The West Coast 34

When the GOP wasn't looking, Democrats took over cities 35

That long wait at the doctor's office is about to get worse 36

A Bill: Spending the loose change people leave behind at airport security 37

## Technology

Meet Adam Lisagor, the Spike Jonze of startup videos 39

The business of letting Amazon customers know when a deal is for real 40

The NBA hits fans with a full-court press of online video replays 41

Data center upstarts are taking on HP and EMC with boxes that cost less and do more 42

Innovation: Bill and Melinda Gates asked for a better condom design. Here are some of the winners 44

## Markets/Finance

GE's stock is down by a third during Jeff Immelt's tenure. Why is no one calling for his head? 47

European banks are paying—and paying—for their sins 48

As his term ends, CFTC Chair Gary Gensler is going out in a blaze of loophole-closing 49

Banks have reopened the home-equity floodgates, and lavish renovations are back 50

Charlie Rose talks to hedge fund legend Stanley Druckenmiller 51

Bid & Ask: NCR spends \$1.7 billion to buy financial technology provider Digital Insight 52

## Features

**CrackedBerry** An oral history of a tech pioneer's rise and fall 54

**Pig Profits** The USDA's experiment with fewer inspectors worked out well—for meatpackers 62

**Wonks Over Broadway** *Politico* reinvented news in Washington. Can it take Manhattan, too? 68

## Etc.

It's that time of year: Holiday party outfits you can also wear to the office 75

A festive, fancy meal that's easy enough to make after work 78

This year's *Victoria's Secret Fashion Show* is selling girl power alongside the lingerie 80

Ten ways to make your yuletide flight home a lot less miserable 81

Kanye's forays into fashion: The hits, the flops, the entire clothing lines that vanished into thin air 82

What I Wear to Work: Wealth management executive Jim Hansberger has a penchant for Italian fabric 83

How Did I Get Here? Vice Media co-founder Shane Smith took inspiration from being "the tallest of the midgets" 84

### Cover Trail

How the cover gets made

Some historical artifacts that didn't make the cover

6200 B.C.  
Kindle prototype  
Sub-Saharan Africa

5200 B.C.  
Potential euro fallback  
Italy

3000 B.C.  
Erogenous zone locator  
Pakistan
