Emerald数据库平台首页

The screenshot shows the Emerald database platform homepage. At the top left is the Emerald logo. Below it is a navigation bar with a username field containing "Your University Name", a "Submit" button, and links for "Athens login", "Register", "Forgot Password?", and "Logout". A "Welcome guest" message is on the left. The main heading is "Welcome to Emerald", followed by the tagline "The world's leading publisher of management research" and a sub-headline "Emerald: research you can use." Below this is a banner image of silhouettes of people in front of a world map, with text stating "Good research in management should help the world to be better managed. To make the world better managed means a bridging of the gap between the world of research and the world of application. Emerald's mission is to make this a reality."

On the left side, there is a vertical navigation menu with a red border. The menu items are: "★ My Profile", "For Administrators", "★ Search & Browse", "Quick Search", "Advanced Search", "Browse", "Marked List", "Product Information", "Licensing Services", "For Authors", "For Librarians", "Research Zone", "Learning Zone", "Teaching Zone", "Support Resources", and "About Emerald". A yellow callout bubble points to the "Your University Name" field with the text "Your University Name".

Below the main heading, there is a section titled "New Titles from Emerald" with a banner image. Below this, there are two search options: "Quick search:" and "Quick browse:". The "Quick search:" label is circled in orange, and a yellow callout bubble points to it with the text "可在主页直接进行检索". Below "Quick search:" is a search input field, a dropdown menu set to "All fields", and a "Search" button. The "Quick browse:" label is also circled in orange, and a yellow callout bubble points to it with the text "可在主页直接进行浏览". Below "Quick browse:" is a "Browse by:" dropdown menu with options "journal title" and "subject", and a "Quick link to journal table of contents:" dropdown menu with the text "Please select a journal".

At the bottom, there is a section titled "Emerald news" with an information icon and the text "Latest news announcements, press releases, press packs and press r...". Below this is a link "Emerald news...". A yellow callout bubble points to the "Please select a journal" dropdown menu with the text "下拉菜单按期刊名首字母字顺排列".

Emerald高级检索

支持布尔逻辑符

直接在检索框中输入布尔逻辑运算符，**AND**、**OR** 和**NOT**，需要注意的是布尔逻辑符必须大写。

短语检索和完全匹配检索

可以选择检索框下面的选项，进行短语检索和完全匹配检索。也可以，在检索框中使用“**”将检索词锁定。
注意：如选择完全匹配Exact Match检索，则只返回与检索词完全相同的检索结果，例如，检索marketing，并选择journal title字段和完全匹配，则检索结果只返回期刊名称为marketing的期刊，而不包括期刊名称为The European Journal of Marketing 或Marketing Intelligence and Planning 等刊名包含marketing 的期刊。**

词干检索

使用通配符*****和**?**，通配符只能出现在检索词的中间和末尾，不能出现在检索词开头。

权重检索

使用权重符号**^**，如检索“work⁴ management”，则检索结果中work的权重是management 的4 倍。

The screenshot shows the Emerald search results interface. On the left is a navigation menu with categories like 'My Profile', 'Search & Browse', and 'Product Information'. The main content area is titled 'Search Results' and shows search options: 'Articles', 'Abstract & Reviews', 'Emerald Site', and 'Other Content'. A callout box explains that clicking these options allows switching between different result types. Below this, it shows search filters for 'Sort Items by' (set to Relevance) and 'show 10 items per page'. There are also links for 'Modify Search', 'Search in Results', and 'Save Search'. The results list shows two items, each with a checkbox, a lock icon (requiring login), a 'B' icon (backfiles), and an 'E' icon (earlycite). A callout box explains these icons: 'I' for login requirement, 'B' for backfiles, and 'E' for earlycite. Another callout box points to the 'Add to the marked list' button, explaining it is used to save articles to a collection.

Teaching Zone	Purpose - This paper aims to describe a project to increase access and longevity of electronic government documents.
Support Resources	Design/methodology/approach - The Ontario Legislative Library has partnered with the Ontario Council of University Libraries to extend the longevity and accessibility of electronic government documents using DSpace.
About Emerald	Findings - Digital repository software, such as DSpace, can be used to extend access to, and longevity of, special collections.
	Research limitations/implications - The case study may be specific to local practices and the institutions involved.
	Practical implications - The consortial approach builds on existing practices to build a cost effective and sustainable service.
	Originality/value - Many projects in electronic government document preservation and access require large investments. This project leverages existing practices and resources.
