Notes for

HEIDI BYRNES

As announced in (97.1), we have documents that show *Modern Language Journal*. For potential authors determine whether their research and general information niche it seeks to occupy linguistics journals.

For those who have their likely publication general guidelines for a number of specific writing up your research particularly with regard length and how to structure perhaps, locating data page; details about ScholarOne electronic expect once a manuscript

For those who manage editing an issue, we propose preparation journal uses for approval

Finally, for those who that might turn into guidelines exist as proposing that publication

Beyond issues directed in the journal, we have Web page in a number new. Among the new to an entry on I.R.L. database that provides a wide range of research stimuli. It has up capabilities and is expected provide additional new great interest for authors. Also new is an invitation
