

- 94 **Gadget Mania**
How digital devices are changing us: an exclusive *Reader's Digest*/Yahoo! poll.
- 100 **Digital Detox** SUSAN MAUSHART
The author banned electronics from home for six months. So how'd that work out? An excerpt from her new book, *The Winter of Our Disconnect*.
- 105 **The Freedoms That Make Us Great**
In *Freedom from Want*, the second of a four-part series, Liz Murray traces her journey from homeless to Harvard.
- 110 **In the Jaws of a Polar Bear** ROBERT KIENER
When two friends took off on a kayak trip around the Arctic Circle, they expected the adventure of a lifetime. They got that—and more.
- 118 **The Lifesaving List** LISA DAVIS, REGINA NUZZO, AND KARYN REPINSKI
The nation's leading health experts name the 15 discoveries, drugs, and other advances that will change our lives.
- 128 **Look Twice** See the world differently.
- 132 **The Men He Left Behind** BRIAN MOCKENHAUPT
Sgt. First Class Carlos Santos-Silva died the way he served, right beside his men. We revisit the soldiers who knew him best, and last.
- 142 **Fact vs. Film** MAX GLASKIN
We looked at three recent movies to see which details Hollywood got right and where they fudged the truth for a good story.
- 148 **College for Free** DAVID HOCHMAN
America's top professors are putting their courses online. The author goes on a wild learning spree and finds the best.
- 154 **Caught in the Act** JEANNIE MCDONOUGH AND PAUL LONARDO
A serial killer stalked our daughter. Here's how we fought back. An exclusive book excerpt.
- 164 **Sit, Stay, Whoa!** FROM *GARDEN & GUN*
Faced with useless parenting advice, humorist P. J. O'Rourke consulted his gun-dog training manual.
