Reader's Digest

JUNE/JULY 2011

166

Back to Nature

SHAUN PETT

Do whales hold the secret to cutting our energy consumption? Can sharks reduce hospital infections? New research says yes. Here's why.

FEATURES

118 Dumbocracy

The dumbest criminals, events, celebrities, quotes, lawsuits, and dolts ever assembled. You'll feel smarter in seconds.

128 The City That Cybercrime Built

YUDHIJIT BHATTACHARJEE

How a remote town in Romania became the epicenter of digital scams.

FROM WIRED

137 Meet Your New Big Brother

SIMON DUMENCO

They know who you are, what you buy, what you watch, and where you are this very minute. How to shake off your cyberstalkers.

142 The Dirty Dozen

AIMEE LEE BALL

How a group of former sorority sisters found peace, purpose, and carpentry skills in New Orleans.

150 Look Twice

See the world differently.

154 My Daughter, Myself

Sallie Tisdale opens up about the fear, stress, hope, and love in caring for a disabled child. Recommended by the cofounders of Autism Speaks.

172 25 Things Your Eye Doctor Won't Tell You

MICHELLE CROUCH

We asked vision specialists for an inside view of what they do. Their answers will change the way you treat your eyes.

178 The Wisdom of the Oak

YELIZAVETA P. RENFRO

A disenchanting crime reporter finds a more satisfying story—right in her front yard. FROM ALASKA QUARTERLY REVIEW
