## CORRECTIONS

"Serenity Now" (Pursuits, May 6) misstated the figures for the worldwide wellness market. The Global Wellness Institute values the market at \$4.2 trillion and related tourism at \$639 billion. ♣ In the "Art With a Message" section of "How to Spend \$1 Million on Art" (Pursuits, May 6), the Anicka Yi work identified as *with whose blood were my eyes crafted?* is actually titled *epigenetic escape*.
